PROCLAMATION

The Mayor read a proclamation declaring December 2, 2014 as **Lady Greyhounds Cross Country Day** in the City of Ocean Springs (Exhibit 3-a).

OLD BUSINESS

The Mayor announced that item (4-a) discussion on Bay Village Land Conveyance will be tabled until the next meeting to gather more information.

The Mayor stated she spoke with the MDOT officials and they reported they are still in the early stages of a conceptual design for the Highway 90 improvements project. She conveyed all of the information, suggestions and concerns collected from the Board of Aldermen to Kelly Castleberry with MDOT and the design team. She said she asked the design team to speak at the next board meeting which they have agreed to do but also stated they would have more information in January, 2015. Alderman Gill stated it was his understanding that MDOT has a preliminary design plan. He also asked to have public meetings to allow the business owners along Highway 90 to give their input on the widening project.

The Mayor reported the first payment to Psycamore has been paid and the City will be meeting with their Financial Consultant to research options for financing the remainder of the payment due within six (6) weeks. Alderman Gill asked that the Finance Committee discuss the funding of the final payment to Psycamore.

Motion was made by Alderman Gill, seconded by Alderman Cody and unanimously carried to allow the Finance Committee to meet concerning the funding of the final payment for the Psycamore settlement and make a recommendation to the Board after meeting with the City's Financial Consultant on December 11th at 10:30 a.m.

The Mayor announced she, along with Alderman Cox and Alderman Cody, members of the Economic Development Council, Mickey Williams, Joey Conwill and Kay Shafer had a very productive meeting with the representatives of the OS Chamber of Commerce. They discussed marketing for restaurant and lounges as well as retail businesses. The Chamber presented a survey done last year by Mississippi Power Company in which 25 restaurants and lounges were interviewed along with a number of retail businesses.

Ms. Kay Shafer, 2508 Ridgewood Road, thanked Alderman Cox and Alderman Cody for attending the Chamber meeting. She felt it was very productive and there was a great spirit of cooperation and coordination amongst everyone. She said there are still some compliance issues and problems from the past to work through and looks forward to working with everyone in the future. She would also like everyone to meet with the owners of the Eat Y'all campaign (Exhibit 5-a).

The Planning/Grant Administrator stated an international organization called The Compassionate Friends (TCF) is asking the Board to consider allowing them to create a memorial park at the Ocean Springs Civic Center. The Compassionate Friends organization supports families experiencing the loss of a child. Ms. Ann Schuck explained The Compassionate Friends is a bereavement organization that is available to families that have lost a child. There are more than 650 chapters in the United States and the MS Chapter was established in 1972. They desire to partner with the City to use this space to create a small memorial park for their cause. It was also stated that the memorial would be built and maintained at no cost to the City.

Motion was made by Alderman Denyer, seconded by Alderman Impey and unanimously carried to support the cause and work with the City Attorney to craft an agreement for the Board's consideration to address, use, responsibility, insurance and related issues and also work with the Building Department for the construction of the wall and the Risk Manager for insurance purposes (Exhibit 5-b).

ALDERMEN'S FORUM

Alderman McDonnell presented a petition signed by residents living on McNamee Avenue and the surrounding area to request speed bumps on this road for the protection of the children, pets and loved ones. spaces; meet with representatives from First Presbyterian Church and make a presentation to the Board at the next meeting.

He also recognized the passing of Mr. Walter Ryan, voice of the Ocean Springs Greyhounds for many years. He will be missed by many.
